Course Policies

Academic Integrity Policy: Students are required to abide by the [Academic Integrity Policy](#) of Endicott College.

I take proper academic conduct seriously, as it is unfair to other students when cheating goes unpunished. It is important that the work assessed in this course is your own. ***Any plagiarism or cheating will result in a failing grade in the course***, and all violations will be reported to the Dean of the Gerrish School of Business and to the Associate Dean for Academic Success.

Please consult with me prior to the start of week two if you are unclear about proper academic behavior and what constitutes misconduct, or if you do not know the difference between plagiarism and paraphrasing.

AI Policy: Students are required to abide by the [AI Policy](#) of Endicott College, and violations are subject to the college's [Academic Integrity Policy](#).

The use of AI tools or software is prohibited, unless explicitly stated by the Professor. Lockdown Browser will be used for all quizzes and exams. Students are expected to have the proper software on their computers for Lockdown Browser functionality.

Turnitin Policy: By taking this course, students agree that all required assignments may be subject to submission for “similarity review” to Turnitin.com, a tool intended to not just detect instances of plagiarism, but to prevent it as well. The tool is intended to help students identify passages that are unoriginal, incorrectly cited, or lacking appropriate source information. Submitted assignments may also be archived in the Turnitin.com database for the purpose of checking for possible future instances of plagiarism, additional similarity searches, and other educational purposes at the discretion of the instructor.

Student Support

Accessibility Services

Endicott College provides equal educational opportunities for all students regardless of disability status. If you believe that you qualify as a person with a disability as defined by Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990 and its Amendment Act of 2008 (ADAAA), you are encouraged to register with the Center for Accessibility Services Office to request accommodations, auxiliary aides, and/or support. The Center for Accessibility Services is located on the 2nd Floor of the Diane M. Halle Library. Please visit the [Center for Accessibility Services website](#) and you may contact Accessibility Services at access@endicott.edu with any questions.

Academic Support

The Division of Academic Success believes that every student can benefit from having a thought partner who supports their learning. We offer innovative and individualized services that motivate you as you pursue your educational goals:

- **Content and Writing Tutoring:** Work with content tutors who can help you understand, remember, and apply course content, or with writing tutors who will support your growth as writers and thinkers. Students can schedule free tutoring sessions on [TutorTrac](#) or stop by Halle Library 204.
- **Quick-Connect Coaching:** Meet with a professional academic coach for thirty minutes to devise a solution to an immediate challenge, including unpacking a difficult assignment, creating a specific study schedule for an upcoming assessment, prioritizing multiple responsibilities, and more. Students can schedule free quick-connect sessions on [TutorTrac](#) or stop by Halle Library 204.
- **Academic Coaching:** Grow your academic self-awareness and deepen your connection to your education by partnering once, twice, or three times a week with a professional academic coach to: develop and deepen academic confidence, resilience, and grit; develop time management and organizational systems and strategies; learn how to set and adjust goals; and recognize how to best utilize resources. This program has an additional cost. To enroll in academic coaching, students can email academiccoaching@endicott.edu.
- **Workshops:** Our semester workshops help students build skills in crucial areas for learning and succeeding: time management, goal setting, note-taking strategies, and metacognition. See [the website](#) for a complete list of programs.
- **Title IX 2024 Policy:** Institutions cannot discriminate based on a student's pregnancy or parental status; past or present, or any related conditions medical or otherwise. Qualified students may be eligible for academic adjustments enabling them to continue their academic process. For more information about Title IX Protections with regard to pregnancy or parental status, please contact Endicott's Title IX Officer, Christy Galatis at cgalatis@endicott.edu or at (978) 998-7746 and www.endicott.edu/title-ix

Course Expectations

For each credit hour students are expected to spend a minimum of two hours on work outside of class each week. For this **three-credit** course that means a minimum of **six hours** each week.

Students must review the online [Academic Calendar](#) published by the Registrar's Office.

Class attendance is expected of all students up to and including the last day of scheduled Finals in the semester. Students must plan accordingly.

Topical Outline and Timeline

The table below shows a rough guide for the topics and activities to be covered in this course. Please note that you have something due almost EVERY week!

Any changes to this schedule will be announced via Canvas. Be sure to log into Canvas regularly (at least once per day) to check for announcements and to keep pace with the assignments that are due.

Subject to Change Statement

The syllabus sets forth my course objectives and my best estimate of what we will be able to cover during the semester. In order to tailor the course to the specific needs of the students, I might modify the syllabus during the semester; for this reason, it is possible that not all of the material will be covered and/or that additional material may be assigned.
